## PRIVACY POLICY

Thanks for accessing and using Love-Push! Our purpose is to establish a more enlightened way of working with our Users to achieve a better platform whereby Users can enjoy the benefits of Love-Push.

In this Privacy Policy, we define how we collect, use and handle your information when you submit them to us via our Services.

### INFORMATION COLLECTED AND HOW WE USE SUCH INFORMATION

We obtain and use the under listed information to provide, enhance and protect our Services:

**Your Personal Information:** Love-Push is a connecting platform for adults, and we provide these services by operating a social network App that allows users the opportunity to connect globally. By joining Love-Push, you enter a legal agreement with us to collect and process your data in order to offer you our service under the terms of this agreement.

To join the Love-Push network, you will have to complete our online registration form, where we may ask you to provide us with information about you such as your name, gender, your date of birth, your email address, your location details, and others as needed. You can also optionally provide other details about yourself. Since you control your user account, these details are at your reach at any time by accessing your “Ad” page, which allows you to update or correct your data at any time by just logging in to Love-Push.

If you decide to pay for any of our paid services, we will process your payment information and keep it safe. Under applicable data protection law, it is important for us to collect and use payment data for processing and to assist us in rendering our service to you and our ongoing retention of the data is vindicated by our legitimate interests set out above.

**Your Content:** Our Services are designed in such a way that it will be simple for you to upload and store your files, photos, messages, comments, etc. (“Your Content”), team up with others, and work across different devices. For this to be realistic, we store, process and transmit Your Content as well as every information that pertains to it. This pertaining information includes the information you have on your profile that makes it easier team up with others and share Your Content, as well as other details such as file size, the time it was uploaded and usage activity.

**Usage Information:** We collect information in connection with your use of the Service, including your activities or actions you take in your account (such as streaming, viewing, editing, and moving folders or files). This information is used to strengthen and improve our Services, create new features and service, and to protect Love-Push Users. Please contact us for more information about how we use this information to enhance our Services.

**Device information.** We also collect information from and about the devices you use to access and use the Services of Love-Push. This includes details such as IP address, the type of device and browser you use, the web page(s) you visited before coming to our sites, and the unique device identifier. Your tools (depending on their settings) may also transmit your location information to the Services.

**Cookies and other technologies.** We use technologies like cookies, web beacons, etc. to provide, enhance, support, protect, and promote our Services.

When you visit the section made available on the App, a session ID cookie is placed on your browsing device that will only last through your visiting moment. Love-Push will also place persistent cookies (also referred to as local storage devices) on user’s computers so that Love-Push remembers users and enhance your login experience and make it faster and easier. We may also place persistent tracking cookies on your browsing device, solely for protection and security purposes, so as to prevent scammers, unauthorized login attempts,

phishers, and also to help you gain access into your hacked account. However, we do not use any of this information while you logged-off the App.

You can still also set your browser not to accept cookies, but this may limit your ability to use the Services to the fullest.

**Bases for processing your information:** We collect and use the personal information and all other information you submit to us as described above to provide you the Services most securely and reliably. We also use your details for or legitimate business needs. If we process your details for any other reason not stated herein, we will seek your approval before the time; we will also mandate our service providers to do likewise. For more information about the bases for processing your details, please contact us.

## INFORMATION SHARING

Since we will not sell, rent or give your information to advertisers or other third parties, we may decide to share your information as described below:

**Our relevant service providers:** Love-Push makes use of some trusted service providers (for instance, for the transaction, customer support and IT management) to assist us in providing, enhancing, protecting and promoting our Services. These service providers will have access to your information for the singular purpose of performing their duties to Love-Push in agreement with this Privacy Policy. We will remain liable for the service provider's handling and management of any of the information they access through our service. For the list of the service providers which we use to process your personal information, please contact us.

**Other users:** Our Services display your information such as your name, profile picture and email address to other users. You can also share Your Content with other users if you so desire. When you register or subscribe on Love-Push account with an email address on a domain owned by your company, we may

assist collaborators to find you by disclosing some of your necessary information (your name, email address and profile picture) to others.

**Law, Order and the general interest of the public:** We may disclose or share your information with a third party if we find out that such disclosure or sharing is essential and necessary to:

- i. to conform with any applicable rule, regulation or law;
- ii. prevent death or serious personal injury;
- iii. prevent illegal or unsanctioned transactions of Love-Push or our Users;
- iv. secure Love-Push's intellectual property rights, interest or safety; or
- v. carry out a task in the benefit of the general public.

## HOW WE SHARE YOUR INFORMATION

**Security:** We have a team committed to securing your information and checking for weakness in the Services and Site. We also continue to enhance our features to keep your data safe such as encryption of files at rest, and alerts when new devices and apps are linked or connected to your account. We employ the use of the latest automated technologies to detect any misuse of the Services and content that may harm our Services, you, or other users.

**User Controls:** You can access, view, modify, download, or delete your personal information by logging into your Love-Push account and going to your account setting page. You can also restrict the way we collect and use your information on the user control page. To learn more about managing your account's information generally, please contact us.

**Information Retention:** When you create an account, or you subscribe to our Services, we will retain your information for as long as your account is active or for as long as we have to provide the Service to you.

If you decide to disable your account, please be informed that there might be some cautions in deleting your information from all our servers and backup database. Be advised that we may retain your information for as long as necessary in compliance with all legal obligations, enforce our agreements or resolve disputes.

## **DATA PROTECTION**

No data on the internet can be guaranteed as secure or safe. We strive to safeguard information but are unable to ensure and cannot warrant the security of any data which you share on the platform or transmit to us. You understand that any information transmitted, submitted or posted on our platform is done at your own risk. Nevertheless, we will take reasonable steps to ensure the security information on our APP.

## **CHANGES TO THIS PRIVACY POLICY**

If there is a chance that we are involved in a merger, acquisition, reorganization, or sale of our assets, your information may be transferred as part of the deal. We will promptly notify you via the email associated with your account/profile of any such occurrence and outline your choices to you.

This Privacy Policy is subject to change frequently. We will post the most recent version on our Site. If the version materially reduces your rights, we will send a notification to you.

## **YOUR RIGHT TO ACCESS AND CONTROL YOUR INFORMATION**

You have absolute control over your personal information and how it is collected, used, and shared. For instance, you have a right to:

- edit or correct personal data. You can manage your account and the content contained in it, as well as edit some of your personal details.
